## **DETAILED ACTION**

### **STATUS OF THE APPLICATION**

Receipt is acknowledged of Applicants' Request for Continued Examination (RCE), Claims and Remarks, filed 5 August 2010, in the matter of Application N° 10/540,139. Said documents are entered on the record. The Examiner further acknowledges the following:

Claims 1-10 and 21 are pending, where claims 11-20 were previously cancelled.

No claims have been added, amended or cancelled.

No new matter has been added.

Thus, claims 1-10 and 21 represent all claims currently under consideration for allowance.

### **REASONS FOR ALLOWANCE**

The following is the Examiner's statement of reasons for allowance:

Applicants' remarks directed primarily to the obviousness rejection made over claim 1 have been considered and are persuasive.

Each of the rejections are based in the combined teachings of Aoki et al. (EP 1 308 156) and Miyamoto et al. (USPN 6,462,093). This combination is considered to be the closest prior art available to the instant invention.

Applicants have clearly distinguished over the art of record by demonstrating the differences in products resulting from the instantly claimed method versus the method taught in the art.

As Applicants' remarks are persuasive, each of aforementioned obviousness rejections is now **withdrawn**.

Applicants have sufficiently distinguished the instant invention such that a search of the prior art has elicited no results which either anticipate or render obvious (e.g., by way of teaching or suggesting), the instantly amended invention. **This is to say that the instant claims are immediately free and clear of the prior art.**

Any comments considered necessary by Applicants must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey T. Palenik whose telephone number is (571) 270-1966. The examiner can normally be reached on 7:30 am - 5:00 pm; M-F (EST).

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert A. Wax can be reached on (571) 272-0623. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
